Sir:

Pursuant to 37 C.F.R. 1.322 and MPEP 1480.01 applicants request the expedited issuance of a Certificate of Correction as the error is attributed solely to the Office. Upon review of the issued patent, applicants discovered an error with an inventor's name. A name change was requested on May 17, 2004, changing "Stephen G. Hosking" into "Lucy G. Hosking". Despite the name change being listed in PAIR, the Patent issued with the incorrect name. As such, applicants request correction of the issued patent as outlined in the attached Certificate of Correction (form PTO 1050).

The Commissioner has been authorized through the electronic filing system to charge any additional fees or credit any overpayment associated with this communication to Deposit Account No. 50-0310 (order No. 060900-0052-US).
